

K-LOVE is very important to me, they help me to stay focused on Jesus which is the only strength I have right now, as I try to live through ALOT of trial, sorrows, and a recent traumatic experience in my life right now. If you were to take K-LOVE off of FM91.1, I will have NO OUTLET to Jesus, and again I will feel lost and alone. I believe with my whole heart that I speak for thousands more that haven't been introduced to K-LOVE's ministry, but they could if they were to come across the station on FM 91.1. The DJ's are warm, and you feel like they are talking to you, especially when they pray. The music that is played is peaceful and uplifting. I found GOD through this radio ministry, and he speaks to me through a particular song at the RIGHT TIME. K-LOVE is on every radio in my house, car, and workplace. PLEASE RECONSIDER YOUR PROPOSAL TO EXPAND THIS SERVICE LPFM. I beg you!!!
